OUR STORY

**Dominique & Donovan**

It was May 1st, 2015 when we first met at a store in Arundel Mills Mall where Donovan was working at the time. We bonded over our mutual love for an animated series called One Piece. We became fast friends and only a month later on June 6th we started dating.

In January 2016 we made big decision to move in together and got our very first apartment. Fast foward one more year to Christmas Eve, on December 24th, 2017, Donovan proposed to Dominique and she said yes!

It's almost time to officially tie the knot, and we couldn't be more excited!
